The Defender 90 is recognised the world over with a design which is instantly recognisable. The Monterey Edition takes the best of the Defender 90 and elevates it further to create a quite stunning Defender.

POWERED BY HISTORY

Each Monterey Spec 90 will be powered by a fully rebuilt TATC Performance 300TDI Diesel Engine mated to the original R380 5 Speed Gearbox.

The 300TDI is widely regarded as being one of the best engines Land Rover ever built.

Additional features include Upgraded Intercooler, VVT Turbo and Full Balancing to provide an engine that's not only powerful but also very refined and perfect for everyday use.
